

CRYOSTEM Scientific Day 2021

Under the aegis of SFGM-TC - 2021, October 15th

Amphithéâtre Millian, Hôpital Saint-Louis, Paris

The meeting will also be held in visio conference. The access codes will be given later.

Workshop

« Promote your scientific projects thanks CRYOSTEM collection »

10h-10h15 : Opening words

10h15-11h00 : CRYOSTEM collection picture

11h00-12h00 : Users feedback - CRYOSTEM collection based results

12h00-12h45 : Lunch Break

12h45-14h15 : Call for expression of interest – Submit your project using CRYOSTEM collection

Please send your project as an abstract of 1 page. Deadline : 2021/09/30

If your project is pre-selected, you will ask to present 2 to 3 slides during this session.

CRYOSTEM Scientific Committee would select up to 3 academic projects of interest for which CRYOSTEM will fund 50% of the samples provision.

14h15-15h45 : Brainstorming around the emergence of new projects

15h45-16h00 : Conclusion
